5 I learn that British recruiting
parties are at work in our state
too. Considering that we want a
number of recruits ourselves for
our regiments it is a question
whether we should not move the
British authorities in the matter
and ask them not to jeopardise
our efforts here in the way of
recruitment by competition.

Submitted to His Highness.

In his letter No.5386 dated 17th July 1917, the First Assistant to the Hon'ble the Resident has enquired if there is any objection to the recruitment of Mahomedans in the Mysore State by a recruiting party of the 88th Carnatic Infantry - stationed at St.Thomas Mount.

11 2. On two occasions in the past, permission was granted^X to the British Military authorities to recruit men in Mysore, viz., - (1) on 8th September 1916 for the recruitment of syces, sweepers etc., for Basrah and (2) on 13th September 1916 for the recruitment of men for the 5th Labour Corps.

12 3. The Extraordinary Member of Council is of opinion that^X as we want a number of men ourselves for our reinforcements, the British authorities may be informed that their proposal to recruit Mahomedans in the State cannot be acceded to.

13 4. But in view of the special exigencies of the present situation, I venture to think that the permission applied for by the British Military authorities may be accorded.

14 5. This may be graciously approved.
